MEMORANDUM FOR: Director of Logistics
Director of Personnel

Attached is a memorandum from Mr. [] which deals primarily with the fifty-seven PSD employees for whom an exception to the age 60 retirement policy is being considered. We would appreciate your comments on this memorandum and your suggestions concerning the implementation of the exception should it ultimately be granted and, especially, the manner of dealing with those Printing Services Division employees who are not included in the group of fifty-seven.

John W. Coffey
